

SEAFOOD 2017 – Brussels 25 – 27 April
**HAROPA attends the world top exhibition
for seafood professionals**

HAROPA, the leading French port for import-export of fresh temperature-controlled products (reefer), is present at the SEAFOOD exhibition which takes place from 25 to 27 April in Brussels (Brussels Exhibit – Hall 4 – Stand 6261). Being the first world's seafood event with around 1,700 professionals as exhibitors and more than 145 countries represented, this event is an opportunity for the three ports of the Seine corridor - Le Havre, Rouen and Paris - to emphasize their offer in terms of import-export of reefer products.

Simplified customs clearance procedure for the products subjected to the veterinary inspection:

- reverse charge procedure for VAT (simpler, more economical and more competitive)
- e-declaration of goods
- automatic interconnection between DELT@ and TRACES

About HAROPA

HAROPA, the 5th largest port complex in Northern Europe, is a joint venture between the ports of Le Havre, Rouen and Paris. It is connected to every continent owing to a first-rate international shipping offer (linking 600 ports worldwide). It serves a vast hinterland the centre of which is the Seine valley and the Paris region which together form the biggest French consumer marketplace. With around 10 Normandy and Paris area partner ports, the "one-stop" hub now forms in France a global transport and logistics system, capable of providing a comprehensive end-to-end service. HAROPA generates sea and river traffic of over 120 million tons each year. HAROPA business represents 160,000 jobs.
